

MIGHTY MITE

3/4" 20 PC

Our Mighty Mite is a cold water killer. The fish can't resist its waxworm like body and enticing forked tail. Whether you are ice fishing or needing to downsize the baits, the Mighty Mite is DY-NO-MITE!

STONEFLY

1" 15 PC

The small sleek design is a catcher of many different species of fish. A great bait for river, stream, pond and lake fishing. Match the hatch with this bait, and don't forget to shoot the docks with this one.
